Members of the public and officials attend the first meeting of the Glens Falls Downtown Revitalization Committee at the Crandall Public Library, in September. The committee is broadening its scope for revitalization to include Warren Street.

## Glens Falls to look closely at Warren Street

Bravos to the city of Glens Falls' Downtown Revitalization Committee for expanding the scope of its research to include Warren Street. In some ways, Warren Street may have even more potential than South Street. Taking a look at the pieces of Glens Falls' assets to see how they all fit together is smart thinking as the city moves forward in spending its \$10 million grant from the state.
